

Licence terms

All users of full-text databases of periodicals and books are obliged to obey the licence terms. These can be found on the website of the wanted database as: TERMS and CONDITIONS, TERMS of USE or COPYRIGHT and may differ in the contents availability range.

Nevertheless, in any case, programme systematic copying of excessive quantities of contents, e.g. whole periodicals or books is **FORBIDDEN**.

The above, if not obeyed, can cause the university to be cut off the databases and to be imposed on other sanctions.
